Personal Statement

Result-oriented professional with a working experience as a Web System Developer at Schultznert Ltd. Looking to obtain more knowledge while contributing as much as I can to meet the set performance objectives. With the knowledge I gained while pursuing my CCNA Routing & Switching Certificate together with my Bachelor of Computer Science and Technology Degree, I believe I can be a good asset to the team.

Summary of Profile

- **Education level:** Bachelor of Computer Science and Technology , South China University of Technology, China
- **Language proficiency:** Very good in English, Swahili and working proficiency in Mandarin (Chinese)
- **Personal characters:** Self-motivated, personable, reliable and trustworthy, capable to work under pressure and deliver results. I'm able to work on my own initiative or as part of a team.
- **Core experience:** Experience in working with Schultznert Ltd as a web system developer.
